

# Course Selection Information Night Feb. 16, 2017

**ESL**

**WELCOME!!!!**

# Prayer

Heavenly Creator of the universe,  
we thank You for the children that You have entrusted  
to us.

We want to cooperate with You fully in helping them grow  
into free and responsible persons.

Grant us the grace to be able to guide them in the practice  
of virtue and the way of your commandments -  
by the good example of our own lives.

Most of all, however, guide them with your Spirit so that  
they may know the vocation that You will for them, and  
be open to genuine self-giving and true Christian love.

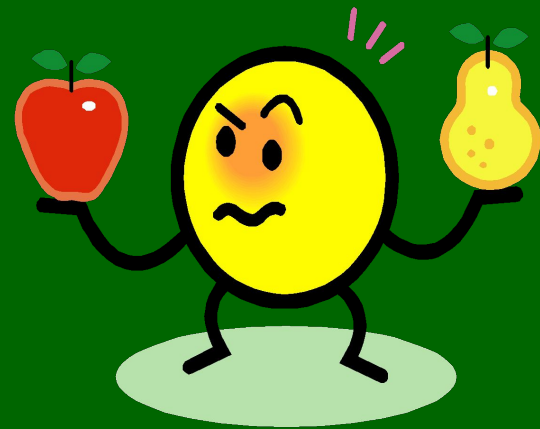

Amen.

# Agenda

- Prayer
- Greetings from Principal Sarna
- Course Selection: How to Make the Best Choices
- IB Information - Cafeteria
- Q & A Sessions - Cafeteria and Library

# Course Selection:

## How to Make the Best Choices

- 6 compulsory courses: Religion, English, Math, Science, History, Careers/Civics
- Academic vs. Applied
- Myth: "My child cannot go to university if taking applied courses."
- "If In Doubt" strategy - choose applied now  
- change possible in April

# Applied to Academic

## Math

MFM1P1 → MPM2D1

Transfer course mandatory

\*(0.5 credit, 2 weeks in summer school)

## English, Science, French

ENG1P1 → ENG2D1

SNC1P1 → SNC2D1

FSF1P1 → FSF2D1

No transfer course required

# Elective Courses

- 2 elective choices
- Introductory courses
- Gr. 10 electives do not require a Gr. 9 prerequisite
- Gr. 10 Music requires Gr. 9 credit or recommendation of Music Dept.
- RCM credits do not satisfy compulsory OSSD Arts requirement

# Alternate Choices

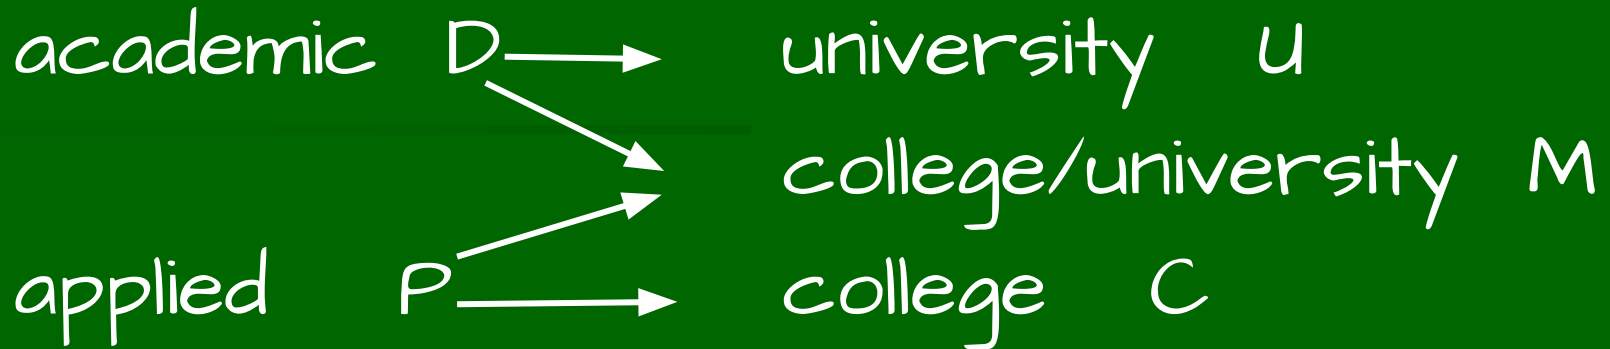

- Used in case of course cancellations and course conflicts
- Prioritize your choices
- 2 alternate choices must be made before submitting

# Grade 10 → 11 Courses

- 3 compulsory courses:  
Religion, English, Math

- Level designations change from

# Math Pathways

- Choose Grade 11 math level based on current performance, advice of math teacher, and post-secondary programs

MCR3U1 = university

MCF3M1 = university/college

MBF3C1 = college

- Grade 10 Applied level math CAN lead to university level senior math courses

MFM2P1

MCF3M1

MDM4U1

MFM2P1

MCF3M1

MCT4C1

MHF4U1

MCV4U1

# Consider Co-op

- Opportunity to explore career interests and expand learning experiences
- Can become an apprenticeship
- 2 credit or 4 credit options or online research Co-op
