

Clubs and Councils (updated January 2023)

| Clubs - Name and Brief Description |
|---|
| Astronomy Club |
| AXIOM Newspaper To enhance students' writing and graphic designing skills while inspiring their creativity and passion for language arts. Students have the opportunity to showcase their creativity and writing skills to the school community in a variety of sections. |
| Band (Junior, Intermediate and Senior) These ensembles are arranged by grade. We prepare a wide range of music to perform at our annual concerts, festivals, community events and assemblies. |
| Best Buddies (Outreach) To provide community, and fellowship for our students. To promote inclusivity related to LGBTQ+ issues. |
| Board Games Club |
| Chaplaincy Choir Provide music for liturgical celebrations, and organize Christmas Carolling in the community. |
| Chess Club The opportunity to play chess with other students in person. |
| Concert Choir This ensemble prepares a wide range of music to perform at our annual concerts, community events and assemblies. |
| Coding Club We seek to bring together students interested in learning and practicing contest programming, and applying their knowledge to real-life projects. |
| Creative Writing Club Providing students with a chance to write creatively, improve writing skills and write for specific audiences and purposes. The club provides an opportunity for students to showcase their writing to the school community in a variety of ways. |

Debate

We are a debate club that has been involved in local and international tournaments and conferences for over a decade. We are also the school/club that organizes UNYCA (the Board-wide United Nations Conference) on behalf of the YCDSB. The club helps students to become expert communicators and to think critically about social/global issues.

DECA

Prepares emerging leaders and entrepreneurs for careers in marketing, finance, hospitality and management in high schools.

Design Club

We design banners and print media for all school events. We also design the agenda and cover for the course selection book.

ESL Squad

The ESL Squad supports the academic, social, and emotional needs of St. Robert's English Language Learners.

Gaming Club**HOSA**

Opportunity for students to explore the health sciences and gain recognition. Students train to compete at their registered health-related event at SLC and can move on to ILC.

Jazz Band (Junior and Senior)

These ensembles are arranged by level. We prepare jazz music to perform at our annual concerts, festivals and community events.

La Silhouette

(online french newspaper)

To have students practice their writing and editing skills in French and to share various topics/events with the rest of the student body.

Math Club

The purpose of the club is to create a friendly community for St. Robert students to share their interest in math and connect with St. Robert student graduates through club google meets. This club will also involve math lessons, fun school

math events (kahoots and school competition), pre math contest prep and post math contest discussion.

Medical Sciences & Statistics

The vision for this club is to introduce students to the intersection of medicine with technology, statistics, and mathematics, as well as give students going into the medical sciences the skills necessary to adapt to today's job market - skills which may not be directly related to biology.

Mindfull Committee

The MindFull Club focuses on mental health awareness, raising positivity in our school environment and helping students feel mentally safe and sound when they come to school every day.

Mural Club

Paint murals around the school to beautify the surroundings.

Nutrition Club

Orchestra

This ensemble made predominantly of stringed instruments prepares a wide range of music to perform at our annual concerts, community events and assemblies.

Prism Interfaith Club

The Purpose of the St. Robert Prism Interfaith Club is to encourage students to come together to celebrate our different religious traditions in order to discover what we have in common in our search for God. The club is inspired by the Vatican II document Nostra Aetate and compliments the Grade 11 World Religions course.

Psychology Club

A place where students who are passionate about, or interested in Psychology can interact, share research, and learn about the human mind.

Quizzards of Oz

This is a trivia club based on curriculum-related topics.

Robotics

Robot design and building.

Rosary Marian Devotion

Praying the rosary.

Spectrum (Pride Club)

A Gay-Straight Alliance club focused on advocacy, student-support, providing community and fellowship for our students, promoting inclusivity related to LGBTQ+ issues.

Yearbook

Students work all year to cover and capture events from the student body.

Councils - Name and Brief Description

Arts

To promote the Arts and offer opportunities for students to participate in activities involving art, drama and music.

Chaplaincy

Supporting the needs of our school community through faith.

Environmental

To promote environmental stewardship in the school community.

French

To promote and encourage the French language in a bilingual setting.

SAC (Student Athletic Council)

Promote physical activity and school spirit through participation in sport.

Social Justice

To promote both awareness, teachings and actions within Social Justice (Includes teaching that are Scripture based and a calling to all.).

STEAM

To engage students in STEAM activities.

STUCO

Student body government providing opportunities to build community.
